RITUALS OF TENDERNESS LIVE

Rituals of Tenderness LIVE 1

Tuesday, 29 October, 7 pm at jevouspropose with mulled wine and tea

Please bring an object with you that you associate with the feeling of comforting or soothing or with the German word "Geborgenheit", which evokes a profound sense of safety, warmth, protection, ease and/or care. It will be a simple "get-together" – a moment of sharing.

With her work, the artist and choreographer Jessica Huber invites us to reimagine how we relate to one another, encouraging us to embrace vulnerability as a source of strength and recognize tenderness as a powerful force for building meaningful relationships. Her practice focuses on creating spaces of connection and reflection, emphasizing the transformative power of subtle, everyday acts of attention and care. During the *Live-encounters*, Jessica Huber shares practices and insights into the *Rituals of Tenderness* series.

Rituals of Tenderness LIVE 2

Sunday, 17 November, 5 pm (please note the new date!)

Tanzhaus Zürich, Bühne 2, Nebengebäude, Wasserwerkstrasse 129, 8037 Zürich

Cosima Grand and Jessica Huber will introduce you to the movement practice which created the base of their latest collaborative video work, currently exhibited at jevouspropose.

The practice is a crossover of Cosima Grand's rocking practice and Jessica Huber's soothing practice. At the session at Tanzhaus we will start by rocking our own body and will slowly introduce rocking other bodies too. Shifting between the rocker and the rocked, between the care taker and the cared for.

Bring comfortable clothes. The movement practice is mainly done sitting and/or lying on a dance floor. It also involves some physical touch (you can choose what kind of positions feel comfortable to you).

Rituals of Tenderness LIVE 3

Sunday, 15 December, 12 pm at Idaplatz in Zurich

Walk to jevouspropose via Friedhof Sihlfeld

Get together at jevouspropose from 1 to 2 pm

In her work, performance artist and choreographer Jessica Huber is primarily concerned with creating acts of attention, experiencing with the senses and creating encounters and connections - and also making those tangible for others. Within the *Rituals of Tenderness* series, she has started asking people to take her to places in the City of Zurich where they feel "geborgen" - or comforted / soothed. For the finissage of jevouspropose#18, Eugénie Rebetez and Jessica Huber will take the visitors on a short walk to one of Jessica's personal „Geborgenheits-Orte“. After the walk, we will all warm up together at jevouspropose with some hot tea and Christmas sweets. There, Eugénie Rebetez and Jessica Huber will share impressions and thoughts of the walks they did together and give an insight into Jessica's first visits to other people's „Geborgenheits-Orte“.
